Chief's Bonnet

Dear Brothers,

Well, time flies. It's November already and I'm sure that most of us are finally getting settled into our school year routine (as much as we hate to admit it), plans are beginning to materialize into action, and that action is seeing results. Octoraro Lodge is no exception to these happenings. I am happy to report that all phases of lodge programs are going quite well. As you know, a major thrust of our lodge this year will be in the planning and hosting of the first Section 5-A Conclave in June. At the October 6th meeting of the Section Council of Chiefs our program plans met with enthusiastic approval and intensive planning is now well under way. An undertaking of this size, as you must realize, requires the cooperation and efforts of many people and I would urge you to become involved in it. Further information concerning these preparations is included later in this issue. In addition, the Brotherhood, Winter and Summer Camp Promotion, and Unit Elections Committees are all hard at work in their areas.

Again, I am happy to report that all is going well and I am looking forward to the remainder of this year to be one marked by performance, progress, and most of all, participation. It's up to YOU!

Sincerely,

Jim Matthews

HIGHLIGHTS OF SEPTEMBER AND OCTOBER

Octoraro Lodge held its annual September Work Weekend on the last weekend of that month and it was a success. Many members attended and were able to accomplish much work on many necessary details including the Horse shoe road, sodding the parade field, cutting wood for the winter lodges, and the addition to the OA Lodge. Final physical preparations were made for the Section Council of Chiefs meeting which was scheduled for the following weekend.

In addition, 103 candidates successfully completed their ordeal and, as a result of Octoraro Lodge's expanded 50% Brotherhood Membership Drive, 59 Ordeal members met the requirements for that degree.

Then, on the 27th of October, the Lodge held its fall workday at the Council Service Center in West Chester. The continued beauty and overall appearance of the Service Center is possible because members gladly turn out, as evidenced by the workday, and do their part.

The yearly work weekends and workdays can continue to be a tremendous success with your support. Because each one of you who reads this make up the active membership of the Lodge, and without you there would be no one to conduct the programs and activities of the Lodge for your benefit and enjoyment. So please continue to do your part to make the wheels roll and if you aren't Brotherhood yet, please turn the page and read the article on Brotherhood eligibility.

A Golden Opportunity

If you have been in Octoraro Lodge (or any other lodge for that matter) for ten months or more you are eligible to become a Brotherhood member. By becoming a Brotherhood member you will seal your membership in our Lodge and you will also be doing your share in helping the Lodge reach its 50% Brotherhood membership goal. 50% Brotherhood membership is very important to our Lodge because it is the last requirement that we have to attain to apply for National Standard Lodge. National Standard Lodge is an award given to OA Lodges who meet certain requirements of excellence in the programs they conduct.

To become a Brotherhood Member you must:

1. Be able to answer all of the questions on the questionnaire form which you received along with your handbook when you were inducted.
2. Hold active membership in Scouting.
3. Write a 100-300 word essay on your rededication to the principle of Cheerful Service to Fellowmen.
4. Hold active membership in the Lodge by showing a continued interest in Scouting and the Camping Program, and Service to the Order, through 3 Service Weekends and 2 Service Projects.

Fifty-nine (59) Ordeal members were inducted into the Brotherhood degree in September. The next opportunity to become Brotherhood is next April where we will be expecting a large number of candidates. So do your part for the Lodge and become Brotherhood in April.

If you need another yellow record card or a copy of the questionnaire, both are available at the Council Service Center, 504 S. Concord Rd., West Chester, Pa. phone number 696-2900

SECTION 5-A

SECTION 5-A COUNCIL OF CHIEFS MEETING

On October Fifth and Sixth Octoraro Lodge hosted a preliminary Section 5-A planning meeting at Camp Horseshoe. Approximately forty delegates attended the meeting, with some of the lodges arriving Friday evening and the remaining lodges arriving Saturday morning. Highlights of Friday evening were a W. C. Fields film and a snack. On Saturday morning a tour was given to the delegates to familiarize them with Camp Horseshoe. Several points of interest were shown on the tour, and the delegates were quite impressed with the lodge circle, the OA bridge, and our lodge building. Two strategy meetings were held on Saturday, one being scheduled in the morning and the other one for after lunch. The 1974 Section 5-A Conclave, which will be hosted at Camp Horseshoe, was discussed and worked on and a great deal was accomplished.

We're hiring !

Dear Brothers,

Octoraro Lodge Conclave plans were enthusiastically accepted at the recently held Council of Chiefs meeting on October 5th and 6th. This enables us to commence recruiting and organizing committees to carry out our plans.

There are many opportunities for both Scouts and Leaders to participate in pre-Conclave arrangements, as well as to participate in the Conclave as part of the program work crew.

Listed below are the areas requiring staff members. Please fill in the return form which is included, noting your choices. Your help will be greatly appreciated.

Sincerely,
Alan Fegley

WONDERING WHAT TO DO WITH SOME OF YOUR SPARE TIME?

Matt Christenson has the perfect solution to that problem. Each weekend from November to the end of March, Octoraro Lodge sends a crew, consisting of one Adult and 4 boys, down to Camp Horseshoe to spend the weekend. This service crew is available to all troops spending that winter camp weekend at Horseshoe. They offer hikes and demonstrations for advancement, can help with a troop's campfire program, and are there for any questions or assistance. They sleep and cook their meals in the OA Lodge which, incidentally, has a new and improved kitchen and shower. For questions and
