

CHIEF'S BONNET

Dear Brothers,

Our past ordeal was a success. A weekend of fun and brotherhood was shared by all. The turnout that weekend was over 300 and hopefully our future ordeals will be just as large.

Now that the winter is coming upon us, we as a lodge, must focus our attention on the winter camp program. In the past this program has not been too successful. But if the members of our lodge get behind and help out, the winter camp program can prove to be a great one. If anyone is interested in staffing one of these weekends please call Mark Reynolds for more info.

The next time we will be together as a lodge is at our annual lodge banquet. I encourage everyone to attend, and seeing that this is the last Wulamoc before the Holiday Season I would like to wish everyone a MERRY CHRISTMAS AND A HAPPY NEW YEAR.

Yours in brotherhood
Kyle Kuhn

THE FALL FELLOWSHIP

This year's Fall fellowship weekend was truly fun and fellowship. The weekend started out with Saturday's usual work but the afternoon was quickly changed and filled with games and sports. The range of the games was unlimited. If you were energetic you could have been down on the athletic field playing soccer and if you liked cards you could have been with Jim Smith playing pinochle. It was also reported that the rifle range was open and many scouts shot for fun. Finally if you weren't into all that you could have been at the dining hall trading patches. Either way it all worked out and everybody was doing something. Then dinner and ceremonies came along fulfilling their duty. Then everyone went to the dining hall to have a royal feast. Finally Sunday came and thus ended the weekend, if I could, I'd wish it all back again.

PATCH AUCTION

What a success! Octorara Lodge had a very successful night on the Saturday of the Fall Fellowship weekend. It was the patch auction, we raised exactly \$416.35. This money, as usual will go into some special project of our lodge. This year it is the 1982 banquet entertainment. Mr. Watson, the head of the banquet committee has some interesting ideas for the use of this money. They are a ventriloquist, a levitator or a magician. What's your idea? If you have a terrific idea, contact an Executive Committeeman or Mr. Watson. See you at the banquet.

WINTER CAMP STAFFING

HELP! The winter camp staffing committee needs you. They need good, dependable people who can be a staff member for a troop for a weekend. Your job is rather simple, you must be there to greet the troop that comes down on Friday night and stay with them during the weekend. You shall be issued a packet prior to this weekend that you will use to keep the troop busy with on Saturday and Sunday. In addition to that you will be in charge of church services and the sale of O.A. lodge supplies. If you are interested in staffing for a weekend or want to know more information about the job, please contact Mr. John Pfeiffer at 269-6149 or Mark Reynolds at 384 1182.

ANNOUNCEMENTS

Conclave reservations are going fast. As of November 1, 1981 we have all but nine spaces filled. If you are interested contact Chris Berger at 444 1115.

There is a new back patch! It is just like the old round back patch but it has red nails. It will be on sale at winter camp, the banquet and the ordeal week ends.

If anyone would like an article published in the "Wulamac" please contact Bob Matje at 644 -1829
