The Chief's Bonnet

First things first. I would like to thank John Callahan our former Chief and all the other officers leaving us, for all the great work they have done in the last year. John will continue serving the Lodge by working with the 5K Run Committee.. This summer the Lodge Committee will be having an overnight summit. At this summit our Committee Chairs and Advisors will be trained to bring our Lodge into 2000.

I would like to welcome the visitors this weekend to our Lodge. I hope your visit with us proves to be exciting and informative.

Once again thank you and I ask that you work your

hardest. This year Camp Horseshoe is full. Lets make it look good for the Staff which will be arriving in two weeks.

Yours in Brotherhood,

Clee Brun——Lodge Chief

The Gap between Horseshoe and Ware is Closing

E.K. Fretwell

Special to the Wulamoc

The gap between the Horseshoe lovers and the Ware lovers is starting to close. After a long debate between both sides on Escout each side finally came to their senses. One of the first moves

made was when the officers went over to Camp John H. Ware III to make their speeches. One of the brothers had a comment, "Now we don't feel like second class citizens anymore." We all are hoping this gap can fully close over the summer. I will report back in the fall.
