

# LEGENDS OF THE LODGE

This award aims to highlight Arrowmen (living or deceased) who have meaningfully contributed to the forming, maturing, and ongoing operational excellence of our lodge, and whom, in doing so, inspired others to follow in their footsteps. This award will recognize those individuals whose service to Octoraro Lodge, by ways of exceptional service, personal effort, and unselfish interest, have made distinguished contributions to Lodge 22 and a lasting impact on our organization.

A selected Octoraro Lodge brother will have their image placed on a patch and their biography printed on a card to accompany that patch. The patch will be distributed at Lodge Service Weekends to those who attend the Lodge Leadership Team (LLT) meeting.

The Selection Committee is asking you for nominees for them to consider. You may nominate up to three worthy Arrowmen. The standards are high and this is not a popularity vote. The final selections will be made by the Selection Committee. Please remember, if you nominate someone who is selected, you will be asked to provide a picture and a short biography of that person.
