### Letter from the Lodge Chief, Collin Wheeler

Brothers,

Welcome back to Camp Horseshoe, and welcome to our first service weekend of our 100th Year of Service. Returning here is always a breath of fresh air for me, and it's great to see so many of you back at camp.

The Lodge Officers and I have been hard at work preparing for this weekend. Before COVID, we regularly held projects at Camp Ware to assist with platform repairs and campsite setup. We haven't had that opportunity in quite some time, so I'm especially excited that we're able to return this weekend and continue supporting both of our council camps.

Over the past few months, our lodge has been participating in the THRIVE National Support Program. Our chairs have put in a lot of effort working through the program. While we're nearing the end of THRIVE, we've learned a great deal along the way, and we're excited to see those improvements begin to show throughout the weekend.

Now, our busy season is finally here. Before we get started, I want to leave you with one thought: almost every active member of the OA is here because one person reached out and invited them to an event. For many of us, that person may no longer be active—but their impact has lasted. Take a moment this weekend to reach back out to that person and invite them to return and celebrate 100 years of service with us.

I hope you all enjoy our first weekend of our 100th Year!

Collin J. Wheeler
