

More Than A Sash. More Than A Patch.

Octoraro 22 has been serving Chester County Council and HSR since 1926 and we currently have 500+ members who volunteer 10000+ hours each year to our camp, council, and local units. We are always looking for new leaders to guide the lodge at events, inductions, service and fellowship activities. Lodge members, we want you to join us and get involved!
